The image shows a screenshot of a web application interface for Transition Coordinator Network (TCN) coordinators. The page has a green sidebar on the left with navigation links: "Log out and return to WSTI home page", "TCN COORDINATOR LOG-IN", "Coordinator Home", "Mission and Vision", "TCN Districts", "TCAP", and "TCN Meeting handouts". The main content area includes a welcome message for a user named Kim, a "Change your password" link, a "Current News" section, a "Welcome to the Transition Coordinator Network!" heading, a paragraph of instructions for completing the TCAP, a "Documents" section, and two small photographs. Three black arrows with text labels point to specific elements: one points to the "Change your password" link, another points to the "TCAP" link in the sidebar, and a third points to the paragraph of instructions.
